Shade LED Strip Light

ABOUT US

☒

MEGA is a professional silicon profile supplier, belongs to TianHua Profile Tech Group.

We have been Supplying all kinds of silicon profiles for the led strip light from China, for more than 12 years. As per the supporting of TIANHUA Profile Tech. Group,our silicon profiles have been dstributed to around 66 countries and regions all over the wolrd. More, our factory could make any custom made of shade of silicon profile, for any special lighting projfects.

6 Advantages of Silicone Profile

● Excellent corrosion resistance: resistant to corrosion by ordinary acids, alkalis, and salts.

● Excellent light transmittance: The light transmittance of silicone exceeds 80%

● Excellent softness, easy to bend, and can be shaped into different shapes for billboards.

● Good thermal conductivity: significantly higher than PVC thermal conductivity, can effectively dissipate heat.

● Maintain normal softness at -50~150℃, and will not yellow or age under strong sunlight.
● Food grade environmentally friendly material, waterproof, fireproof, anti-tear
